

2 PETER SUMMARY

All we need to know about how to live life and partake of divine nature comes through knowledge of Jesus (God's sin bearing, resurrected Son), and faith in His precious promises. We are to add to that faith, virtue, knowledge, self-control, perseverance, Godliness, brotherly kindness and love. This keeps us from being useless and unfruitful with that knowledge.

Now, just like in former times there were people deceitful about God and his ways appealing to people's lusts and luring them into depravity. It causes God's good ways to be spoken of as evil. God has everlasting punishment for those people.

Jesus is coming again to judge and for those found in Him they will be with Him in new heavens and a new earth where righteousness dwells.
