

ACCOUNTABLE TO GOD

We are held accountable by God to receive love of the truth (2 Th. 2:10). Once we receive love of the truth, a way we can know if any teaching is from God, hence true, is for it to be our will to do God's will (Jn. 7:17). Here are absolutely vital truths of God. We are created by God, not a cosmic accident (Gen. 1:1). God is holy. We are to live according to God's created purpose for us, to not do so is sin. We all sin. Sin separates us from God. We will be judged for the way we live our life. God sent His Son Jesus as a perfect sacrifice for our sins. God raised Jesus from the dead to give us hope and so we could get Jesus' sacrifice applied to us by repenting, in faith calling on Jesus as the risen Lord of our life, and being baptized. For those who believe, the Holy Spirit is given by asking. The Holy Spirit empowers us to live boldly the Christian life. The effect is like rivers of living water flowing out of us. On Judgment Day, those who believe and receive Jesus are rewarded to be in heaven with God. To those who refuse to receive love of the truth, hell is their choice. Living water awaits all who will.
