

ADVENTURE IN MOVING

by

Austin and Belinda French

Packing our stuff...
Essentials only, no fluff,
The U-Haul we do call
To help us with our haul!

Another adventure in moving
No worries... friends we do call
Both tall and small, and bald
To help us with our haul!

There is a place
Where no stuff and U-Haul are needed,
Only the blood of Jesus and mercy pleaded,
On Him we do call!

Whether paupers or kings
We won't need our things.
One last adventure in moving,
No worries, no angst ... but giving of thanks!
