

ATTITUDE OF SOLITUDE

Pretty, pretty trees
Springtime in Middle Tennessee-
"I like the pink ones,"
"I like the white ones,"
Young Will liked the green ones!

Pear tree blossoms, buttercups galore,
Even more-
With much goodness in store,
Wide-open spaces,
A clump of deer over there
And the farm fresh air!

An attitude of solitude
Brings a peace that far surpasses
The tweets on twitter
Social media and dither.
There's a peace and joy in the Lord
And in helping our neighbor!
