

BUILT-IN

The thief (the devil) does not come except to steal, kill, and destroy. I (Jesus) have come that they may have life and have it more abundantly. (John 10:10) Built-in to God's will is sure life. Built-in to not-God's-will (sin) is sure steal, kill, and destroy. Not believing and not doing God's will but believing something else is much like a person believing he does not need to sleep. He might keep it up for a day, two days with many pills, but it is unavoidable, built-in to that false belief sure collapse is coming. Believe in Jesus as God's sin-bearing, raised from the dead Son. Confess Him as Lord. Welcome the Holy Spirit to lead your life. Built-in to that true way to be is unavoidable abundant life.
