

Bushhoggin'

by Austin French with Belinda's help

A man has a job to do according to Isaiah 32:2.

There is another job for many a man that is for you,

Bushhoggin'

For men you know it is the way to go; no ladies I know dream of

Bushhoggin'

Wimpy mowers just might not satisfy.

Oh, to drive through stuff 3 inches thick

Grind it to pieces and make it look slick.

Bushhoggin'

Kudzu, grow over the whole world you would like to.

Meet Mr. Bushhog, your plans of conquest are through!

Bushhoggin'

Ahead briars and thorns 5 feet tall.

If you could even walk through, you it would maul.

Bushhog does not even work up a sweat.

He does his work; almost looking like a yard is a sure bet.

Bushhoggin'

Your heart is a spiritual bushhog ma-chine.

From briars and thorns your heart's job is to clean.

The parable of the sower (Mark 4) tells you so.

In a bushhogged heart good fruit will grow!

Men and ladies alike, you can bushhog your heart

And to follow through this is your part:

Study God's word to see

What God is like

And how to be.

Bushhoggin'

Your assignment:

Read Mark 4.

Men read Isaiah 32:2.
