

CERTIFIED

Farm dogs on the porch we see
Good cows in the pasture in Tennessee.
New dog breed by the AKC
Farm dog its name would be,
Likewise new breed of cow
Is a certified good cow!

What traits do we see?
Both faithful to the owner ... Me!
Dogs, intruders should fear
Cows, a calf once a year.

Challenges abound
A command post we have found,
Refreshed, out the door,
Ready for more!

With God the heart is the key,
Not the pedigree.
Dogs, cows, homes, people
Good and faithful we need to be,
Certified are we,
In Tennessee!
