

CANNOT BE SHAKEN

Therefore, since we are receiving a kingdom which cannot be shaken, let us have grace by which we may serve God acceptably with reverence and Godly fear (see Heb. 12:28). This is a time when earth's kingdoms are being shaken. The kingdom of God cannot be shaken. Instead of this being the worst of times, we can choose to make things truly better for us than ever before. Here is how: from this moment make sure we have given our life to Jesus and trust Jesus totally. If you have not already done so, let this be the day that you commit to daily read the Bible to see what God is like and how to be. Start with the Gospel of John.
