

COMPLETE

We are fully complete in Jesus. (Col. 2:10) Whoever keeps God's word, truly the love of God is completed in him. (1 John 2:5) Knowledge of God's will is not completed love from God until it is believed and kept. Jesus is God's Son who bore our sins, was raised from the dead, and sent the Holy Spirit. Believing this and living true to it makes us complete, living life with the love of God completed in us. Living for self is a hopelessly incomplete state that no pills, no entertainment, no fulfilling the lusts of the flesh, no worldly wisdom can make a person complete. Incompleteness is a heavy burden we cannot bear. Completeness awaits.
