

CONDEMNATION DISARMED

Others can condemn you. A person can condemn themselves. Condemnation is empowered by claiming the target has shamefully violated some religious or cultural rules. Properly understood Christianity disarms condemnation. A Christian's claim to being right with God is based totally on the Blood Sacrifice of Jesus Christ for their sins, not them being a rule keeper. Jesus was raised from the dead so that by faith in Jesus, the Blood is applied and God is pleased. The Christian is to ask for the Holy Spirit and walk according to the Spirit. Romans 8:1 states that there is no condemnation for those who are in Christ Jesus who do not walk according to the flesh but according to the Spirit. A complaint against you when God has approved you is disarmed nothingness. The condemnation free realm is there.
