

DESPERATE FOR JESUS

(Mk. 2:4) And when they could not come near Him (Jesus) because of the crowd, they uncovered the roof where He was. So when they had broken through, they let down the bed on which the paralytic was lying.

They were desperate for Jesus and got their miracle. Everyone needs to realize they have a need that only Jesus can fill. We need to be absolutely desperate in seeking Jesus to save us from our sin and to lead our daily lives once saved.

Jesus said, "Blessed are those who hunger and thirst for righteousness, for they shall be filled." (Mt. 5:6) God has wonderful promises for the desperate for Jesus.
