

EASTER IS STILL IMPORTANT

...(Jesus) Christ died for our sins according to the scriptures, and that he was buried, and that He rose again the third day (Easter)...(in 1 Cor. 15:3-4). This is absolutely one of the most important events in human history. It is to be the most important event in our life when we hear about this, believe it, repent, and confess Jesus as Lord. Radical inward transformation occurs; we are born from above. With self denied we are to radically change the way we live, so that it is evident to all. We are to live for righteousness., not for lusts of the flesh. Easter is that important.
