

## HOLINESS

In the Bible we learn that the older women are to teach the younger women. What are we to teach the younger women? "... to love their husbands, to love their children, to be discreet, chaste, homemakers, good, obedient to their own husbands, that the word of God may not be blasphemed."

In case you're not familiar with the words discreet and chaste-- discreet has to do with being cautious, modest, especially in speech. Chaste has to do with modesty and purity, especially sexual purity, in regards to keeping the marriage pure and only having a sexual relationship with the one you're married to.

Let's keep the admonition in the Bible about holiness. "... but as He who called you is holy, you also be holy in all your conduct."
