

HEART BURN

In Luke 24:32: "Did not our ***heart burn*** within us while He (Jesus) talked with us on the road, and while He opened the scriptures (the Bible) to us?" Two followers of Jesus said that to one another right after freshly risen from the dead Jesus explained to them the scriptures about Himself, how Jesus was to die for our sins, and be raised from the dead. Get a Bible and read about Jesus. First pray, "Open my understanding, God, that I may comprehend the scriptures." Expect your ***heart to burn***, to know more and more about Jesus, and to follow Jesus at all costs.
