

## JOY POWER!

"Do not sorrow for the joy of the Lord is your strength." (in Neh. 8:10).  
Sorrow over how people behave weakens and can overcome. There is this realm you need to know about that overcomes sorrow over what all is bad that is going on. It is believing in Jesus, repenting of sins, receiving and walking in the power of the Holy Spirit condemnation free. You are not condemned by God for walking in joy with so much misery going on. "And they overcame him (satan) by the blood of the Lamb (Jesus), the word of their testimony (like this paragraph), and they did not love their lives to the death." (Rev. 12:11)
