

MOUNTAIN MOVING FAITH  
(Mark 11:22-26, John 12:50)

It is peace and life to hear from God all the day.  
Speak only what He gives you to say.  
Nothing whatsoever of God do you doubt.  
Wall to wall faith is what you are about.  
Every bit, all, of what you say, believe will be done,  
Because the source of what was said, God is the One.  
Believe right away you have received what you pray,  
Then you will have, though possibly not that very day.  
Not a shred of unforgiveness in your heart,  
All faith, no doubt, to the end, from the start!  
To help people by prayer, this is your part.
