

## MULE TO HORSE... A Parable

Mule Day in Columbia, Tennessee  
Thousands come to see.  
Quite a surprise to me,  
The fancy mules we see!

Fancy gait, fancy look,  
With all the time it took  
A mule is still a mule, obviously,  
A Tennessee Walking... Mule!

Make no mistake, new creations God can make,  
Changing destinations not a fake.  
Believing Jesus as God's son,  
Brand new we have become!

We're not the same,  
Having been made new, our claim to fame,  
From mule to horse, without any remorse,  
And of course, a Tennessee Walking Horse!
