

MUSTARD SEED

Jesus taught that the kingdom of God is like a mustard seed...the smallest, yet when sown becomes the greatest of the herbs. The word of God is so powerful that receiving just a little of it (like in this short message) can be seed for igniting an unquenchable fire, to be radically transformed by Jesus and live for Jesus, not self. Jesus bore our sins on the cross, was raised from the dead so we could live for righteousness, by whose stripes we were healed. Receive the mustard seed and be ignited. (Mark 4:30-32, I Peter 2:24)
