

DO NOT BLEED THE SICK

Simon had practiced sorcery and to whom all gave heed (in Acts 8:9-10). He deceived people into thinking he was their help when he was a huge problem for them. Barbers long ago used to cut people to bleed them when they were sick. People used to think that helped the sick, but it was a huge problem for the sick. Back then it was love to turn the barber away from your door if he came to bleed your sick child no matter if he said he came to help, no matter what people thought. Today and forever true love is to believe in Jesus as God's sin bearing resurrected Son, repent, proclaim Him Lord, receive the Holy Spirit and walk in power led by the Spirit of God. What today that is like bleeding the sick is what is called feminism, multiculturalism, tolerance, diversity and psychology. Do not go by what it is called, but its fruit; they promote the sins of abortion, resentment of Godly males, sexual perversion, diagnosing, needless drugging and a void of real discipline. It claims to be love and help but it exalts what is unGodly and is intolerant of God and His ways. Learn true nondeceptive love by reading the Bible to see what God is like and how to be. Read Revelation 7:9-10 in the Bible to see diversity as it is meant to be. Anything else messes with your soul and takes its toll. Purge all mixture.
