

NOT MISSING OUT

No good thing will He (God) withhold from those who walk uprightly (in Ps. 84.11). You can be absolutely sure you are not missing out on any goodness for you by following God's will. You can be absolutely sure that not doing God's will (sinning) causes you and others great harm. There is no escape from this reality. Believing in Jesus, following Jesus, receiving the Holy Spirit and following His leading is God's will for us all so that we will not miss out on God's intended goodness for us.
