

ONCE

...now, **ONCE** at the end of the ages, He (Jesus) has appeared to put away sin by the sacrifice of Himself. (in Heb. 9:26) God exists and created us. It is impossible for God not to exist, matter explode, and people just happen. God's will for us is His love toward us, so we can flourish by doing His will and hence living according to His created design. To not do God's will is sin, always harming us and others. We all sin. There is only one way to be forgiven, sins totally put away...**SACRIFICE**. God accepts sacrifice for sins. The more precious the sacrifice, the more powerful the effect. **JESUS**, God's Son, the Word become flesh, gave his life on the cross as a **ONCE** sacrifice for the sins of the world. This ultimate, most precious sacrifice is so powerful it purges sins. We have to have Jesus' sacrifice to live. We receive Jesus's sacrifice for us by believing in Jesus, repenting of our sins, calling on Jesus to save us and being baptized. To still feel guilt or condemnation after that is to say that **ONCE** was not enough. **NOT TRUE!!! ONCE** is much more than enough. Receive...believe!
