

## OPINION FREE PEACE

If any of you lacks wisdom, let him ask of God, who gives to all liberally and without reproach and it will be given him (in James 1:5). For the Christian there is a way to know God's wisdom, just ask, and you are not stuck with your own opinion. A mind is a terrible thing to waste and it can be wasted by trying to form an opinion on most things and try to push it on others. Peace is gone. Instead, only desire to speak God's wisdom in a Godly manner, to the God-given audience at the God-appointed time for what is our God-given business. That is humbling and peaceful; self is left out. God is pleased. I have been relieved of duties God never gave me...to try to have an opinion on most things, things not my God-given business....join the club.
