

## OVERCOME BY GOOD

Overcome by good is the goal for me.  
Seeing into the depths of goodness is what I desire to see.  
Some ponder on how evil things are getting  
Instead of on things above their minds setting.  
The Holy Spirit helps us to know good deeply.  
Without the Spirit's help, people live life weakly.  
When overcome within by good  
By thinking and seeing as we should,  
Goodness flows from within and evil is overcome without.  
That is more to praise God about!
