

THE PATH OF LIFE

You will show me the path of life; in your presence is fullness of joy; at your right hand are pleasures evermore (Ps. 16:11)

We need to have the attitude we have to know the path of life and hunger and desire to walk on it. Jesus was that way. In John 5:19 Jesus said that He could do nothing of Himself, but what He sees the Father do. He had to see the path of life from the Father or he could not function. Off the path of life is nothingness.

The path of life gives eternal pleasures, not the pleasures of sin for a season, then comes steal, kill, and destroy.

The good news is that which we have to have to function in fullness of joy, God shows us. God through Jeremiah said that you will seek Me and find Me if you search for Me with all your heart (Jer. 29:13)
