

TOTALLY POWERLESS VS. TOTALLY POWERFUL

Things totally powerless to save/deliver: mind/will power, physical strength, money, any worldly pleasure, any diet, type of clothing, vehicle, appearance, pill, job, degree, winning sports team, political party, any worldly/fleshly birthed thing, any work, person or belief except Jesus.

What is totally powerful/able to save/deliver: Jesus, the Blood of Jesus, the Name of Jesus-faith in these, ***then*** born of God things done in love in the Spirit.

The good news of Jesus Christ is the power of God to salvation for everyone who believes. (see Romans 1:16)
