

QUENCH NOT THE SPIRIT  
(1 Th. 5:19)

Life lived to the fullest is when our top priority is living for Jesus in the Holy Spirit's loving flow. Rivers of living water are to come forth in the form of fruit from abiding in Jesus. Fruit trees do not laboriously work to bear fruit; fruit flows out. Do not quench the fruit flow. (John 7:37-39 and 15:5)
