

## RADICAL CHANGE POWER

Some have never seen a person they knew that got deeply convicted of their sin, radically change, receive Jesus' blood sacrifice for their sins, and live a totally transformed life evident to all. I have seen it and noticed that besides believing in Jesus, they have believed in, desired, and welcomed the love, power, and leading of the Holy Spirit. There is a cultural con inside and outside of Christianity that tries to hush the talk and emphasis of the Holy Spirit. Stand up to that con by being unashamed and call on Jesus and welcome all the Holy Spirit God intends for you. [Google "John Chapters 1-21 online NKJV" and read all 21 chapters, about 38 pages long]
