

REPRIEVE

The fall season especially
Brings a joyful reprieve
Right here
In Tennessee.
The wide-open spaces,
Cooler temperatures,
A break from summer's harshness,
A clump of deer over there,
Running free,
And the farm fresh air.

An attitude of solitude
Brings a peace that far surpasses
The tweets on twitter, social media and dither.
There's a peace and joy in the Lord
And in helping our neighbor.
Deep rooted beliefs, joyous souls...
The truth be told,
A reprieve it can be
Right here
In Tennessee.
