

SACRIFICE

"Who Himself (Jesus) bore our sins in His own body on the tree that we having died to sins might live for righteousness ...by His stripes we were healed." (1 Peter 2:24) There is good news: God has sacrifice for sins. More good news: Jesus, God's Son, was a sacrifice for our sins and was raised from the dead. Jesus substituted for us and bore our sin death penalty. We get the sacrifice applied to us by repenting and calling on the name of the Lord. We get to live for righteousness and serve the living God. Jesus gives life to all we do in His will. God is love.
