

## SACRIFICE

"Who Himself (Jesus) bore our sins in His own body on the tree that we having died to sins might live for righteousness ...by His stripes we were healed." (1 Peter 2:24) There is good news: God has sacrifice for sins. More good news: Jesus, God's Son, was a sacrifice for our sins and was raised from the dead. Jesus substituted for us and bore our sin death penalty. When we believe in Jesus, repent, confess Jesus as Lord, and are baptized we know that sacrifice is applied to us. The powerful results of the ultimate sacrifice of Jesus are: sins purged, made new creations, healed, and given the Holy Spirit. Believe all this and receive all this. This is how Jesus' sacrifice ministers to us (Is. 60:7). Jesus gives life to all we do in His will. God is love.
