

SEEK LIFE, NOT ENTERTAINMENT

"I have come that they may have *life* and have it more abundantly." Jesus said that. There is this realm that you can walk in that is so *life*-filled that entertainment does not appeal to you that much. Living to be entertained is a thirst that never is satisfied and is expensive. You can also get in a lot of trouble pursuing it. Jesus said, "He who comes to me shall never hunger and he who believes in Me shall never thirst." Pursue intently the Jesus-full-life that is free of worldly wisdom. Experience *life* that is better than being entertained. Google "John Chapters 1-21 online NKJV" and read all 21 chapters that tell about Jesus (about 38 pages long) to start that pursuit.
