

SNATCHED

Come unto Me all you who labor and are heavy laden and I will give you rest. Hearing those words of Jesus can **snatch** a person from sinful selfish living and transform them. Here are other words of Jesus: If anyone desires to come after Me, let him deny Himself, and take up his cross daily, and follow Me. He who follows Me shall not walk in darkness, but have the light of life.

Life awaits. Jesus gives life to us. Jesus gives life to all that we do in His will.
(Matthew 11:28, Luke 9:23, John 8:12)
