

SOW MY MUSTARD SEED

(To the tune of "Let There Be Peace on Earth and Let It Begin
with Me)

Sow My mustard seed here on earth,
In Jesus' Name sow it for Me.
Sow My mustard seed here on earth ,
For all the days given by Me.
With God as the seed giver,
Fruitful it will be.
Sow My mustard seed here on earth,
It's My good pleasure to give energy.
