

## Spiritual Clothes

I (we) might need to change our focus.

I've had a recurring dream about my closet ... of all things. I'm not much into clothes, so it's pretty surprising that I'd dream about having a closet full of clothes that were stylish, fit well, and none that I didn't like. It was a happy dream but a little puzzling.

Then suddenly this week I was reminded of what is said in the Bible about clothing and how we are clothed. When you consider that, maybe I already have the closet of my dreams and didn't recognize it - maybe not!!! Maybe my dream (our dreams) can come true with the right focus.

Here's a list of some of the ways God speaks of how we are clothed:  
with garments of praise, salvation  
humility  
a gentle and quiet spirit  
submission to my husband  
a robe of righteousness  
shoes of the gospel of peace

Psalm 93 says that God is clothed with majesty and has girded himself with strength.

"I was naked and you clothed me."

That's not to say that we're to forget about the regular type of clothing!!! It's CERTAINLY important to be clothed. (but it usually gets more than its share of attention.)
