

TALKING

(in James 1:19)...let every man be swift to hear, slow to speak, slow to wrath. If a person wants to please God, they will not be a big talker. No excuses, like "oh, that is just the way I am" or "I am a people person". A "people person" is kind to people. It is unkind to people for them to need recovery time after being around you and for them to have a hard time even getting in a word. True kindness is being swift to hear, slow to speak, slow to wrath, and speaking that Jesus died for our sins to transform us much like a caterpillar is transformed into a butterfly (2 Cor. 5:17).
