

THE LIFE (PART 2)

Jesus said, "I am the way, the truth, and the life. No one comes to the Father except through Me."

Jesus also said, "I am the bread of life. He who comes to Me shall never hunger, and he who believes in Me shall never thirst."

We all need bread(food) and water to live. Those are the facts. There are those who don't face facts, though, like those who spend more money than they make, or never clean their houses or water their plants.

Sometimes those people could be considered "smart" or "intellectual," but eventually it catches up with them.

We want to be smart in the Real Way by facing the Real Facts, by eating the bread of life and believing in Jesus. He is the life.
