

## THE WAY

Jesus said, "I am the way, the truth, and the life. No one comes to the Father except through Me."

Does anyone argue or complain about having to have a key or even a particular key to start a car or open a door of their house? No, I don't think so. We just want to start the car or get in the house and know that's the way to do it. No problem there.

So saying, I don't want to argue or complain about Jesus being the way to God. God has provided the way, and Jesus is it.

Just submit and don't try to start the car without the key. You'll be glad you did!
