

THERE IS JESUS FOR EVERY PROBLEM

"Behold (see), the Lamb of God (Jesus) that takes away the sin of the world (John 1:29)." Behind every evil event, the root cause is sin. There is only one thing that takes away sin and that is the Blood of Jesus. So any news of evil, any evil happening to you or through you, put the blame where it lies...sin. Speak the truth by saying, this happened because of sin; the problem source did not believe in Jesus, repent, and bear fruit worthy of repentance. Bring to light the cause; bring to light the Solution, Jesus. This teaching permeates with peace those who see and practice it.
