

WALKING IN THE LIGHT

We are to rely **totally** on Jesus' sacrifice on the cross for our sins and His resurrection from the dead for our salvation/deliverance. Trusting in the cross of Christ after salvation is to rely **totally** on the Word of God and the leading of the Holy Spirit for all that we think, say, and do. All that we do is to be in faith we are following the leading of the Holy Spirit. When we miss it and sin, the Blood of Jesus cleanses us from all sin. There is to be **no trust in self whatsoever** for salvation and living the Christian life, just the cross. Life lived this way is called **walking in the light**. "If we walk in the light as He (God) is in the light, we have fellowship one with another and the blood of Jesus Christ His Son cleanses us from all sin." (1John 1:7)
