

What Love Is

"I want to know what love is,"

The song was sung.

To the wrong thing some have clung.

Love that does no harm to self and others is pure,

God's will is where we need to look for sure.

His will is goodness from above,

That from beneath simply isn't love.

What does the word of God, the Bible,

Say is good for you?

The way God created the earth, man, woman, and child too,

A fine job He did, messing with that we must not do.

Love from above in Jesus came,

Forgiveness and hope are through faith in His name.

Call on Jesus, turn from sin,

Start pure and clean all over again.

Looking to Jesus all the day through

That's what we're to do.

Focusing on strife

Will not bring you life.

Righteousness, peace, and joy in the Holy Spirit,

Without a doubt we're to be about.

Overcoming evil with good is how we should

And would.

Jesus said, "Enter by the narrow gate; for wide is the gate and broad is the way that leads to destruction, and there are many who go in by it. Because narrow is the gate and difficult is the way which leads to life, and there are few who find it."
