

WHAT MORE COULD HAVE BEEN DONE?

What more could have been done...that I have not done? (in Is. 5:4)
In love God sent His Son Jesus to teach us about God and how to be, heal, die for our sins, be raised from the dead to give us hope, sent the Holy Spirit to help and lead us and intercedes for us. Jesus is coming again to judge and reward. No more could be done for us than what Jesus did and does. By belief in Jesus, repentance and calling on the name of Jesus we can be saved and be with Him eternally. This wonderful knowledge is not to be given up in our lives and in our nation by silence for the nothingness of the world. Think how much the world speaks and tries to impose its nothingness. At all costs receive what has been done and be complete in Jesus. This will build the kingdom of God and our nation one person at a time.
