

WISDOM FROM ABOVE

But the wisdom that is from above is...full of good fruits (in James 3:17). Since it is full of good fruits that means there is no room for bad fruits; it is all good. If what you are living by, seeing, hearing, believing and thinking on has some bad fruits, then ditch it; it is not wisdom from above. There is this wonderful, available realm of receiving Jesus and the Holy Spirit, being taught and led by the Holy Spirit (=wisdom from above) and being full of good fruits. Go for it at all costs.
